GREAT VALUE,

Kentucky
Fried Chicken.

A beautiful, sunny day had dawned, and Inspector Gadget, the world's greatest detective, decided to go for a picnic. He had taken his niece, Penny, and dog Brain to their nearby Kentucky Fried Chicken store to pick up some delicious chicken, unaware of the evil plot which had been hatched...

The dastardly Dr Claw had made an invisible hole in time, and had put it just near where the Gadgetmobile was parked.

As Gadget, Penny and Brain were about to get into their car, and before they could say 'Wowsers', they were swept into the Time Warp, unable to do anything about it!

Dr Claw and the Mad Gang believe they have finally rid themselves of Inspector Gadget, but have they? Can our three friends be saved, or are they doomed to be lost in time forever?

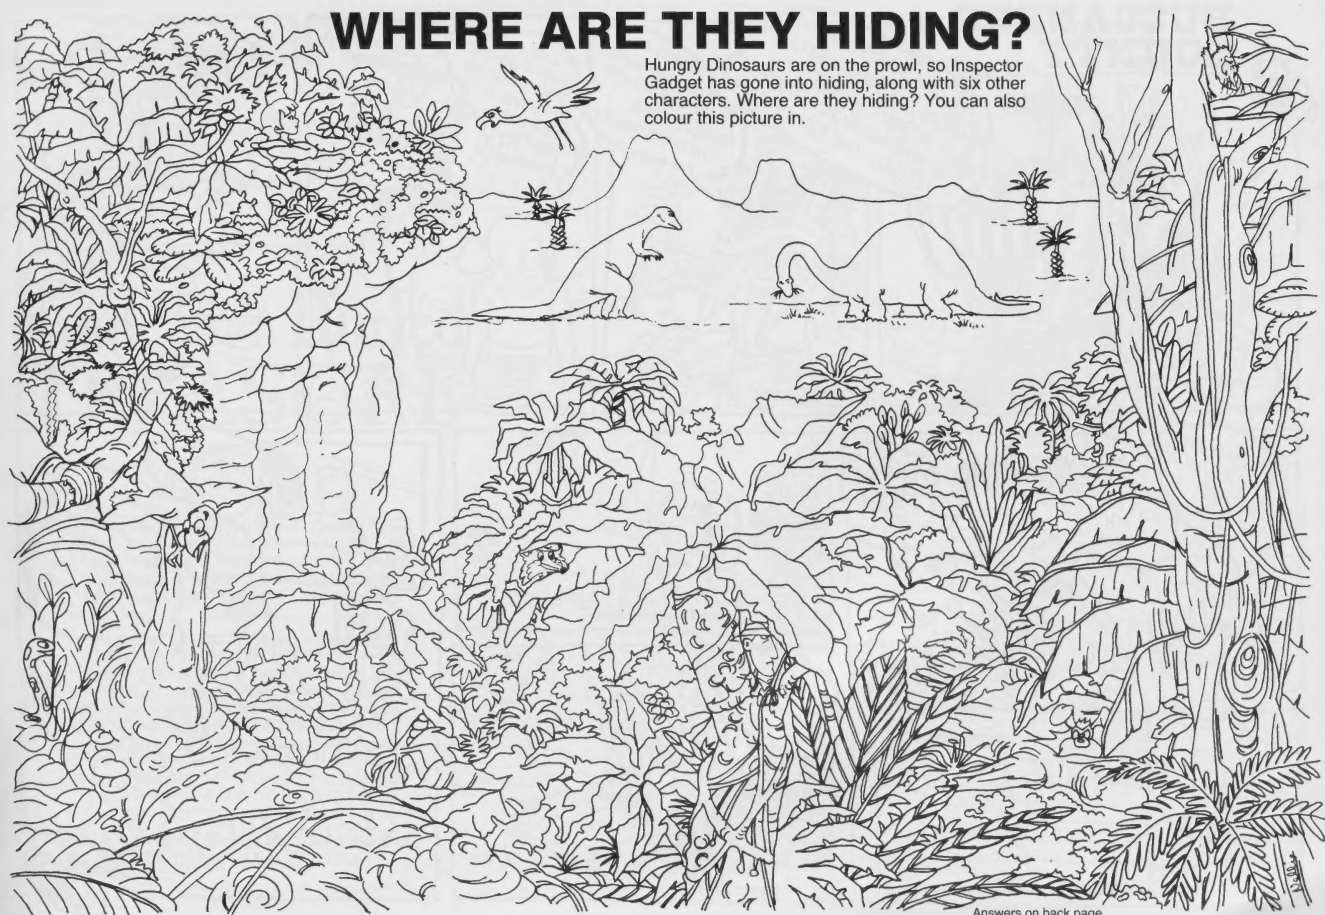

Come with us now as we follow our heroes through danger, adventures, puzzles and games and see if Inspector Gadget, Penny and Brain can manage to escape!

STONE-AGE SURPRISE

BUCCANEER BOUNTY

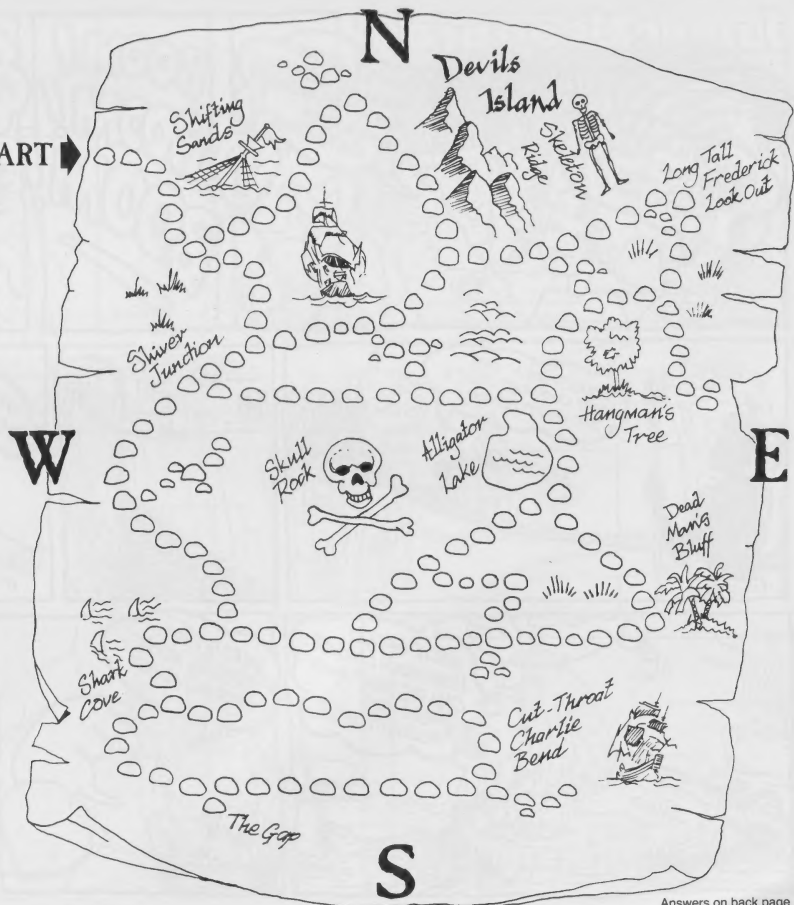

Find The Buried TREASURE

Follow the path (each stone equals ONE pace) according to the clues. When you've found where the treasure is hidden, you have to return to the start using the least number of paces. Read ALL clues before you start.

HERE ARE THE CLUES:

Take 12 paces East of Shifting Sands, then another 8 paces towards Skeleton Ridge. Head to Shiver Junction, taking 14 paces. Take 11 paces East and 10 paces South. Head away from Dead Man's Bluff for 19 paces (Beware of the Sharks!), then take 13 paces towards Cut - Throat Charlie Bend. You will then be only 10 paces from the treasure! Where is it hidden?

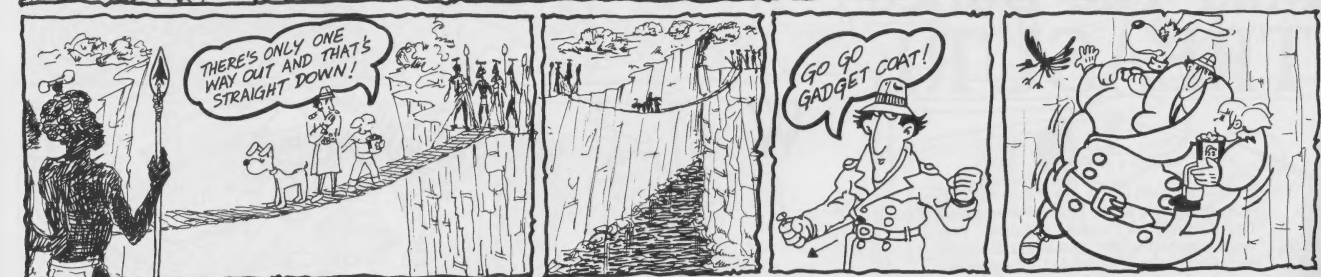

What is the least number of paces needed to take the Treasure back to the start?

Inspector Gadget, Penny and Brain finally ended their whirlwind trip through history, after making many friends along the way.

Stopping at their local Kentucky Fried Chicken store to replenish their supplies (thanks to the appetites of Pterodactyls and Kings), they headed off to their favourite picnic spot where Chief Quimby was waiting.

"Where have you all been?" asked the Chief.

"I've been waiting here for two hours!"

"It may have been hours to you Chief," replied Gadget, "but to us it seems like **years!**"
